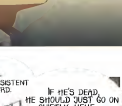
Ah~.

So he finally disappeared?
Ah~
He's a persistent bastard.



If he's dead, he should just go on quietly, hehe.....

Don't you feel anything?

Do you feel nothing after killing Hyo Won like that?

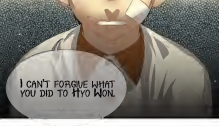
Aren't you sorry about Hyo Won?

I can understand you trying to bully me into keeping quiet.

But,

I can't forgive what you did to Hyo Won.

...?
You're a funny bastard. Can't forgive me? What are you going to do?



Ah~
Turn me in? Are you going to turn me in?
Idiot, call the police a hundred times.
Who's going to believe a test without evidence?
From a loner, crazy freak like you?
Sigh

Stop being annoying and just quietly...
Spin.

...Fuck.

Are you deaf...

Are you really crazy? When did you copy this?

Do you want to be hit again?

Or do you really want to die? Huh?

Should I drop you from a building like Hyo Won Kim?! Fuck!!

You, are you that great?!

Is your father that powerful?!

How are you going to get out of this with this solid evidence?

Is he the head of the police department?!

Go ahead! Do what you will! Hit me, kill me!

I'll copy it again and just spread it all over the internet!

.....

Slap!

!!

Bam!

"You" Bastard!

Slam!

Fraud, grave murder, threatening assault, destroying of evidence.

All of the above are your crimes.

Slam!

You don't need me to say anywhere, do you?

Smirk

So you're here to arrest me?

You think I'm going to back down?

If you pursue a case based on a dummy video, it'll just get really stressful for you.

If you're going to do this, don't you need more solid proof?

Stop now.

This conversation was recorded.

...What?

Everything has been recorded.

The Moon Ori committed pre-meditated murder.

He tried to destroy evidence in the possession of Young Woo Nam.

Habitually threatened to kill him.

And did not show remorse even when facing the truth.

Before you may have been able to wriggle your way out.

But it's different this time.

With this recording,

And Young Woo Nam's video and his testimony

The Moon Ori, you are under arrest for the murder of Hyo Won Kim and the crimes previously stated.

It won't be easy to get out this time.

...Ugh.

...Hyo Won Kim.

Hyo Won Kim.....!

He's dead and still getting in my way.....!

How you been doing dude?

Yeah, it's been crazy going in and out of the police station, but I'm good.

Is that police guy doing okay?

Yeah.

He's putting a lot of effort into this case.

Hmph.

Still don't trust him too much.

The Moon Ori that bastard can still get out.

He's still a minor, so the sentence won't be that harsh.

We should have just spiked it on the internet.

If it wasn't for you and those guys, I really never have thought to repent it.

Hyo Min probably went to a good place right?

Yeah. I prayed for his passing to the next life.

In the end he returned to his normal form too.

Yeah... That's a relief.

I didn't know if Hyo Min will forgive the moon.

But I hope you can get some revenge.

If it still bothers you, all of another Soul Appeasement Ceremony...

In any case, did you know you have call first?

Did you try phone?

It's a bit depressing.

No, it's very depressing....

Both Hyo Min and the moon were... good kids.

If I had done more to fix things from the middle, those things wouldn't have happened.

I keep thinking those thoughts.

.....

This may sound cruel, but it's no use regretting things in the past.

If you keep focusing on and blaming yourself like an idiot, you'll end up like...

Remember that Hyo Min wanted you to live for him too.

So you need to focus on how to live life to the fullest for both you and Hyo Min.

Did you know, you talk very maturely.

Shut up.

Anyway, if someone else bothers you, call me.

You can call, if you're bored too.

.....

Sure.

Mr. Si Hun Lee! What happened to the moon ago?

He's going head to the station. There, he going to count soon.

Who the solution to your liking this time?

What is there to be done? Sure, in death.

Hyun Bong Jung Boxing Kidnap Policeman

But still, if not hell, right? He ought the Hong Chang.

He probably was on the fence about it like this!

Sure.

Mmm...

Why are you so down even after doing a good deed?

Thinking about your grandmother's friend's birthday boy.

But it's too late now.

Mr. Si Hun Lee is the greatest liar you guy's change it!

Why so worked up? You're going to be like this every time is done a good?

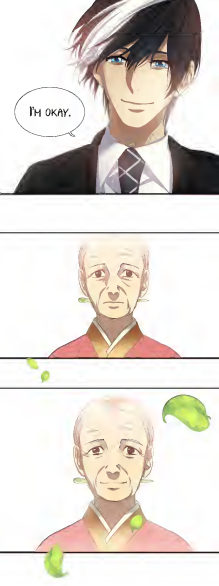
Ah not going to listen to your excuses of doing something for someone else!

You just need to live your own life.

So stop sighing and let's eat!

I'm hungry! Let's eat here in celebration of exorcists, hehe!

.....



.....
GRANDMOTHER...!

AH.....

.....

GRANDMOTHER,
DON'T WORRY ABOUT ME.
I WAS WORRIED ABOUT SOMETHING OR SOMEONE SO MUCH BECOME SOMEONE AS IMPORTANT AS YOU.
SO DON'T FEEL SORRY.
I'M OKAY.

Mr.Si Mun Lee-t

WHAT ARE YOU DOING RIGHT?
